

GenSet Overhaul Concept

MAN PrimeServ

Spare parts
and service
while sailing

All-in-one GenSet overhauls by the original engine designer

Introducing our comprehensive turnkey solution for Four-Stroke GenSets

Get to know our holistic solution, encompassing everything from spare parts and onboard maintenance to dedicated project management and performance-boosting component upgrades.

The All-in-one GenSet Overhaul Concept is a package solution that includes all necessary spare parts and overhaul services, based on the recommended TBO (Time Between Overhauls).

Our goal is to offer you peace of mind during the overhaul process by ensuring fixed service prices and timely delivery of all necessary spares to your chosen location.

We are your committed partner in the pursuit of operational excellence with Four-Stroke GenSets, offering peace of mind and performance enhancements that boost efficiency.

MAN experts at work

Best quality spares

Increase reliability

Worldwide service

Competitive lump sum

One Solution, One Contact, One invoice

Discover the benefits of this comprehensive solution, which includes spare parts, overhauls, and a dedicated project manager to address your needs. Our dedication to forging long-term partnerships guarantees continuous 24/7 support and a global presence that overcomes any distance barriers.

Best quality Spare Parts & Service Package

Our unique position as the engine designer makes us a one-stop supplier. In recent years, we have developed and enhanced a variety of spare parts solutions and concepts, all of which have become popular with our customers, featuring the latest and most advanced designs.

Onboard GenSet overhaul to a competitive lump sum price

We provide unique GenSet overhaul services for our customers. Our customized overhaul packages not only offer potential lube oil and fuel savings but are also executed by our expert technicians at sea, even while sailing. All these services are available at a competitive lump-sum price.

Applicable to following bore sizes:

- L16/24
- L21/31
- L23/30
- L27/38
- L28/32

Enhance your experience with our valuable add-ons. Our GenSet turnkey solution comes with the option of beneficial add-ons. Get in touch with our experts to learn more about these solutions.

- Optional add-ons:
- TBO extension program
 - PrimeServ Assist
 - Relevant retrofit upgrades
