Variations to the terms of any Contract will only be effective if agreed in writing.

Such information is only binding to the extent expressly stated in the Order Acknowledgement or in other documents forming part of the Contract expressly referring to such information.

3 DELIVERY AND NON-DELIVERY AND DELAY

- 3.1 Unless otherwise expressly agreed in writing by MAN
- (a) delivery times accepted by MAN are given in good faith but are an estimate only; and
 - (b) delivery of the Goods is made EXW (Incoterms 2020).
- 3.2 MAN may deliver Goods in instalments and perform Services in sections in any sequence. Default by MAN, howsoever caused, in respect of one or more instalments and/or sections shall not entitle the Customer to terminate the relevant Contract as a whole.
- 3.3 Where:
- (a) the Customer fails or refuses to accept delivery of any Goods when they are ready for delivery in accordance with the relevant Order; or
 - (b) MAN agrees to postpone delivery of the Goods at the request of the Customer; or
 - (c) the Customer fails to provide any instructions, consents or authorisations required to enable the Goods to be delivered on the due date;
- the risk in the Goods shall pass immediately to the Customer. In such cases delivery of the Goods shall be deemed to have taken place and MAN may store or arrange for storage of such Goods and charge the Customer for all related costs and expenses (including storage and insurance) and may sell such Goods after expiry of 28 days following such failure or refusal and deduct any monies payable to MAN by the Customer from the sale proceeds and charge the Customer for any shortfall below the Contract price.

- 3.4 All Goods must be examined by the Customer, and the Customer must notify MAN of any claim in relation to visible transportation damage, immediately upon delivery. MAN may, at its option, be present at such examination. MAN shall only be liable for shortages in, damage to, non-delivery of, incorrect supply of or delivery of an excessive quantity of Goods if notified by the Customer to MAN in writing immediately after the appearance thereof and in no event later than 90 days after the actual or anticipated date of delivery (as relevant) and provided that the cause thereof was within the reasonable control of MAN. Where MAN is liable as set out in this Condition 3.4 MAN shall, at its sole discretion, either arrange for delivery as soon as reasonably possible or credit the Customer for such Goods and this shall be the Customer's only remedies and in lieu of all other rights and remedies which might otherwise be available to the Customer. Shortages in or non-delivery of some or part of the Goods shall not affect the Contract in respect of any other Goods. In case of incorrect supply of or delivery of excessive quantity of Goods, the Customer shall, if accepted by MAN, return the Goods delivered at the cost of MAN. In order to have the returned Goods replaced or credited it must be in the same condition as when received by the Customer. The Customer is liable for any damage to the returned Goods caused by inadequate packing and/or transportation.

- 3.5 If prior to delivery MAN has concern regarding timely payment because of an adverse change in the Customer's circumstances or otherwise, it may require payment of all or additional parts of the Work before delivery.
- 3.6 If the contractual delivery time for the Work or part of the Work is delayed and this delay was caused by negligence or intention of MAN and if the Customer has suffered a loss caused by such delay, the Customer shall be entitled to liquidated damages for delay. Such liquidated damages for delay shall amount to 0.5% of the value of the delayed part of the Work concerned per each full week of delay considering a grace period of 2 (two) weeks. The liquidated damages for delay will be limited to a maximum of 5% (five per cent) of the value of the delayed part of the Work.
- 3.7 Liquidated damages shall be the Customer's sole and exclusive measure of damages and remedy against MAN with respect to the failure to achieve the contractual delivery time for the Work.

4 TITLE

- 4.1 Unless MAN has been paid in full in advance, the Goods will be considered as having been delivered with MAN retaining the ownership of the Goods until full payment has been effected by the Customer. Prices are exclusive of board, lodging and local transportation and such other facilities as are to be provided by the Customer free of charge. All travelling expenses and costs of carriage of luggage, instruments and tools incurred by MAN's personnel shall be finally paid for by the Customer. If MAN upon the Customer's request agrees to arrange for transportation of the Goods on behalf of the Customer this shall not in

- itself change the EXW (Incoterms 2020) delivery of the Goods, cf. Condition 3.1 (b) above, unless expressly agreed in writing by MAN, and the Customer shall pay, reimburse and/or indemnify MAN for all costs associated with the transportation.
- 5.4 Unless otherwise expressly agreed by MAN in writing, sums payable by the Customer to MAN shall be paid by the Customer net cash not later than 30 days after the date of the invoice. If any sum payable under the Contract is not paid when due then without prejudice to MAN's other rights under these Conditions, such sum shall bear interest from the due date until payment is made in full, both before and after any judgement, at 8% per annum.

- 5.5 Where MAN has incurred any liability to the Customer, whether or not arising from or under a Contract, MAN may upon written notification set off the amount of such liability against any liability of the Customer to MAN or any of MAN's group companies.

- 6.2 Unless otherwise expressly agreed in writing, MAN's execution of Services is subject to manual assistance being rendered by the Customer either through engine room staff or other qualified persons made available by the Customer.
- 6.3 The taking over of the Service by the Customer shall be deemed to have taken place at the latest, when the Customer has received MAN's notice that the Service has been completed, provided that the Service is as required for taking over according to the Contract. Minor deficiencies which do not affect the efficiency of the Service shall not prevent taking over. The period, referred to in Condition 7.1 shall start to run at the latest when the Service is ready for taking over in accordance with this Condition 6.3.

7 WARRANTY

- 7.1 MAN warrants for a period of 12 months (i) from the date the Goods were delivered, that such Goods are free from substantial defects in materials or manufacture; and (ii) from the date the Services were rendered, that such Services were carried out with reasonable skills and care.
- 7.2 All conditions, warranties or other terms whether express or implied, statutory or otherwise, inconsistent with Condition 7.1, are hereby expressly excluded to the fullest extent possible.
- 7.3 The warranty given in Condition 7.1 will not apply:
- (a) where the defect arises from any drawing, design, specification or intellectual property right supplied by the Customer or arises from normal wear and tear, wilful damage, the Customer's negligence, abnormal working conditions, use for unintended purpose, misuse, abuse, lack of maintenance or arises from any failure to follow MAN's advice or general instruction (whether oral or in writing) or alteration or repair of the Work without MAN's approval;
 - (b) if MAN or its representatives are not given a reasonable opportunity to safely inspect the Work;
 - (c) if the total price for the Work has not been paid by the due date for payment;
 - (d) if the Goods supplied by MAN are mounted in a MAN designed engine for which the Customer has also used non-original parts which are violating intellectual property rights of MAN; or
 - (e) if the Customer has not notified MAN of the warranty claim within 14 days after the time where Customer discovered or ought to have discovered the defect and, if so requested in writing by MAN after such notification, the Customer fails to fill out a defect report within a period of 14 days after receipt of such request from MAN.

- 7.4 In the event of a breach by MAN of the warranty in Condition 7.1 and without limiting Condition 10 MAN shall only be obliged (and shall have no further liability in contract, tort, law or otherwise for any defect in quality of the Work) at its option either to:
- (a) credit the price (if already paid) attributable to the faulty Work; or
 - (b) repair, rectify or replace the faulty Work, provided that any Goods are returned to MAN or someone designated by MAN in their delivered state at MAN's expense if so requested by MAN within 3 months from the date of the dispatch of the replacement Goods. MAN shall not be responsible for offloading of cargo and/or any precondition works necessary to repair and/or rectify the defect. Replacement Goods are delivered EXW (Incoterms 2020) unless another Incoterm has been expressly agreed in writing by MAN in the specific Contract.
- 7.5 Condition 7.4 shall be the Customer's sole remedy and in lieu of any other rights and remedies which might otherwise be available to the Customer. Any replacement Work will be warranted on the terms set out in this Condition 7. However, any and all warranty shall end within 18 months after delivery of the original Work being replaced.

8 EXEMPTIONS AND FORCE MAJEURE

- 8.1 Either Party may be excused from the timely performance of its obligations under the Contract, where the performance is impeded or prevented by circumstances beyond its control, including but not limited to performance affected by an act of God, labour disputes, civil commotion, governmental or official actions or any other event which was unforeseeable or outside the reasonable control of such Party. The Party shall be temporarily relieved from its obligations during the period of time such events continue. The above stated shall also be applicable to MAN if a sub-supplier of MAN is affected by such event and/or in case the Party concerned is already in default.
- 8.2 Either Party may terminate the Contract affected if such circumstances mentioned in Condition 8.1 continue for more than 6 months.
- 8.3 The Parties are committed to give each other the necessary information which may reasonably be expected without delay, and to adjust their obligations in good faith to the changed circumstances.

9 INTELLECTUAL PROPERTY RIGHTS AND CONFIDENTIALITY

- 9.1 The Customer shall not, under any circumstances acquire any right in or to any of the IPRs (including, without limitation, copyright) subsisting in, resulting from or relating to Work, or any plans, descriptions, blue prints, designs, technical information, software, documents, drawings and/or specifications relating thereto either (a) supplied by or on behalf of MAN to the Customer in connection with Work, or (b) resulting from Work, unless otherwise expressly agreed by MAN in writing. Should the Customer acquire any such rights then the Customer shall immediately inform MAN and shall take such steps as may be required by MAN to assign such rights to or vest such title in MAN.
- 9.2 MAN shall have the right to apply any trademarks, trade names and/or service marks to the Goods. The Customer acknowledges that no rights are granted to the Customer in respect of such trademarks, trade names and/or service marks through the use of the Goods by the Customer. The Customer shall not deface, remove or obliterate any trademarks, trade names or logos applied by MAN on or in relation to the Goods.
- 9.3 The Customer shall keep confidential and not use, without the prior written consent of MAN, all or any information including, without limitation, that supplied by MAN to the Customer or disclosed to or obtained by the Customer pursuant to or as a result of the Contract, and shall not divulge the same to any third party except to the extent that any such information is or becomes public through no fault of the Customer, or disclosure of the same is required by law or by any governmental or other regulatory body. Further, the Customer shall not reproduce or copy in any manner whatsoever, in whole or in part, any of the information mentioned above.
- 9.4 In the event that MAN bases the production of the Goods on its own specifications, MAN shall under the exclusion of any further liability warrant that such Goods do not interfere with IPRs published in USA, Denmark and/or by the European Patent Office. This shall not apply, if MAN has manufactured the Goods in accordance with drawings, models or other equivalent descriptions or information provided by the Customer. As far as MAN is not liable pursuant to this Condition 9.4, the Customer shall release MAN from all related third party claims. In case an infringement of such third party IPRs appears to emerge, the Parties will enter into negotiations with due consideration of such situation and jointly agree on the consequences.

10 LIMITATION OF LIABILITY AND PRODUCT LIABILITY

- 10.1 MAN shall not be liable to the Customer for any special, indirect, consequential or incidental loss, damage, delay or expense incurred of whatsoever nature.

- 10.3 If MAN incurs liability towards a third party, the Customer shall indemnify and hold harmless MAN for all losses, damages and costs of whatsoever nature.
- 10.4 Nothing in these Conditions shall exclude or limit the liability of MAN for any liability that cannot be excluded in law or for:
- death or personal injury; or
 - damages to property other than the Goods;
- caused by MAN's gross negligence or fraudulent misrepresentation.
- 10.5 Without prejudice to Conditions 10.1, 10.2, 10.3 and 10.4 MAN's total liability for Work in contract, tort, law or otherwise shall be limited to the value of that Work.
- 11 USE OF THIRD PARTY SPARE PARTS AS PART OF MAN'S PERFORMANCE OF SERVICE**

The Customer will handle all issues with the classification society in this respect.
- 11.2 The Customer accepts and agrees that MAN will not provide any warranty for the Third Party Spare Parts and/or accept any liability whatsoever for the use of such Third Party Spare Parts or for any losses or damages (direct or indirect) which might be caused by those Third Party Spare Parts now or in future. Furthermore, the Customer undertakes to indemnify and hold harmless MAN from any third party claim whatsoever made against MAN, which is related to the installation of, the use of and/or the failure of the Third Party Spare Parts.

- 12 OTHER PARTS/SPARE PARTS THAN THE GOODS**
- 12.1 The Customer accepts and agrees/acknowledges that MAN is not responsible and therefore will not accept any liability whatsoever for any parts/spare parts other than the Goods or for any losses or damages (direct or indirect) which might be caused by those parts/spare parts now or in the future. In the event the performance of the Contract is prevented due to the above reasons for a period of more than 180 days, MAN or the Customer shall be entitled to terminate the Contract to the extent the performance is prevented. In the event an export license has been denied by the responsible authorities, MAN or the Customer shall be entitled to terminate the denied part of the performance immediately. As consequence of such termination the Customer shall pay to MAN the price of the Work performed by MAN under the Contract and any cost for unavoidable commitments incurred by MAN with respect thereto. Any claims, rights and/or remedies of the Customer with respect to such termination shall be excluded.

If Customer or any person acting on behalf of the Customer picks up the Goods before export, Customer shall present the Goods and the export customs declaration issued by MAN at the responsible customs office of export and finalise the formal customs proceedings properly. If the agreed delivery address of the Goods is inside the territory of the European Union, MAN will not issue an export customs declaration and will not act as responsible exporter for any further exports made by the Customer, unless otherwise agreed. The same shall apply if the Goods are to be delivered on a vessel, which is currently located inside the territory of the European Union. If Customer requires an export customs declaration by MAN for delivery on such a vessel, this has to be agreed individually.

- 16.5 For the avoidance of doubt, MAN's obligation (if any) to perform Services under any contracts with the owner/operator of the concerned Engine shall cease in case Data Access/ Processing of the Engine is stopped/rejected by owner/operator and/or is not further provided for reasons for which owner/operator is responsible, and such Data Access / Processing of the Engine is needed to fulfil such obligation and/or in the agreed and/or in sufficient time. In such cases, MAN shall be temporarily relieved from its obligations under such contracts until Data Access / Processing of the Engine has been reactivated.

- 18.3 If any term, clause, condition or part of these Conditions is found by any court, tribunal, administrative body or authority of competent jurisdiction to be illegal, invalid or unenforceable then that provision shall, to the extent required, be severed from these Conditions and shall be ineffective without, as far as is possible, modifying any other provision or part of these Conditions and this shall not affect any other provisions of the Contract which shall remain in full force and effect. The Parties are committed to replace the invalid provision by another equivalent provision with respect to the commercial effect, in so far as this is possible.
- 18.4 The Contract and these Conditions shall be construed in accordance with and governed in all aspects by the laws of Denmark, however, excluding the rules of conflicts of law and excluding the Convention of the United Nations of 11.4.1980 on Contracts for International Sale of Goods.
